

INVEST IN PEACE BECOME A GLOBAL PEACEBUILDER DISTRICT

The Global Peacebuilder District program recognizes district contributions to Rotary's work in peace. Donations can go toward the Rotary Peace Centers or to the area of focus in peacebuilding and conflict prevention, and these donations can be made to the Endowment or for immediate use. This program provides districts with a lot of flexibility in how you can contribute to, support, and engage in Rotary's peacebuilding programs and the goal of creating positive change.

The Rotary Peace Center at Makerere University, Kampala, Uganda

WHAT YOUR DISTRICT'S SUPPORT ACCOMPLISHES

Your district contributions help fund up to 130 Rotary Peace Fellows from around the world each year to study peace and development at one of our Rotary Peace Centers. More than 1,700 alumni of the program are actively contributing to world peace, working in areas from grassroots initiatives to policy development at the United Nations and other multilateral organizations. Generous donations from Global Peacebuilder Districts support these leaders.

Your district contributions also support the vital work in peacebuilding and conflict prevention that clubs and districts carry out through projects supported by The Rotary Foundation. Your donations help address the causes of conflict through programs that train community leaders and build capacity around the world to overcome violence and increase resiliency so people can reach their full potential.

GLOBAL PEACEBUILDER DISTRICT RECOGNITION AND BENEFITS

Being a Global Peacebuilder District means knowing that your district is part of a Rotary network committed to supporting peace and development activities, while also helping dedicated scholars become catalysts for peace around the world. Each Global Peacebuilder District receives a certificate and the option to print the Global Peacebuilder District floor-standing banner that can be used at district events, conferences, and elsewhere.

HOW TO BECOME A GLOBAL PEACEBUILDER DISTRICT

Global Peacebuilder Districts allocate at least US\$25,000 annually in District Designated Funds (DDF) or district cash contributions. To become a Global Peacebuilder District by contributing district cash or to learn more about the program, write to peacebuilderdistrict@rotary.org.
