ROTARY IN TAIWAN

Rotary was first introduced to Taiwan when the RC (Rotary Club) Taihoku was formed in 1931 with the RC Tokyo as its sponsor. But it and the RC Takao and the RC Keelung discontinued functioning in 1940 because of World War II.

In 1948, RC Taipei was formed by community leaders in Taipei and the Rotarians who came from the Rotary clubs in Chinese Mainland that were forced to dissolve in a devastating civil war. In 1960, Rotary International granted status of District 345 for the 19 clubs in Hong Kong, Macau and Taiwan. In 1978, District 3460 was formed in the central and the south part of Taiwan and in 1984, District 3470 was established in the south of Taiwan. In 1987, Rotary clubs in Taiwan were separated from those in Hong Kong and Macau in District 3450 with District 3480 created in the north Taiwan. Rotary in Formosa keeps growing with more Rotary districts: District 3490 created in 1990 and the clubs in the Island redistricted to 7 districts in 1998, and into 12 districts in 2017. Currently, Taiwan Rotary has 988 clubs and 36,186 Rotarians.

Taiwan Rotarians have been making outstanding financial contributions to The Rotary Foundation and create help in the world for people in need in the local and global communities. They make all efforts to "Light Up Rotary", as the annual presidential theme set by 2014-15 RI President Gary Huang, who is the first Chinese RI President from Taiwan in the history of Rotary. They hosted the Rotary International Convention in Taipei in 1994 and will host another in 2026. They hosted Rotary Institute in Taipei many times and will host another in Nov 2024.

D3461 Rotarians of RC Tachia Central participate in a donation ceremony for the Global Grant (GG) project #2349944 Accessible Mobile Clinic for Remote Barangays, which is co-sponsored by the Rotary clubs in Taiwan and RC Midtown Tarlac of D3790 in the Philippines.

D3462 Together with the Rotary clubs of D3360, RC Changhua Central provides gastrointestinal endoscopy equipment at Mae Sai Hospital in Thailand.

D3470 Through a GG project, RC Touliu North of D3470 and RC Kyoto Rakuto of D2650 work together to conduct on-site inspections in the Hushan Reservoir community.

D3481 RC Taipei Hsin-Yi sponsors a GG project to support St. Joseph's Home that helps those vulnerable dementia patients. RIPE Stephanie A. Urchick visits it during her stay in Taiwan in November 2023.

D3482 RC Taipei Yinlog is joined by other four Rotary Clubs in D3482, and RC Suao in D3490, and its service partners Taipei City's Seda Charity Love Association and Yuan Heng Dental Clinic, and they co-host a service event of the oral health care for the kids in Masai Elementary School.

D3490 The participants of RYLA camp at LeeMing Institute of Technology sponsored by the Interact committee of District 3490 learn a lot with special experiences.

D3501 Through jointly sponsoring GG2348772, RC Hsinchu Downtown, RC Hsinchu North, RC Miaoli, and RC Wonju in South Korea donate a Mobile Health Vehicle to Miaoli Da Chien Health Medical System for serving in remote Tai'an Township.

D3502 RIPE Stephanie visits D3502 Rotary Day event "End Polio Now Carnival and Charity Run for Anti-Drug".

D3510 RI President Gordon R. McNally has fun and enjoys music with the children during his visits to Linbian Elementary School in Pingtung County for the project Rotarians sponsor online English tutoring program for the rural community.

D3521 RC Taipei Choumei sponsors a campaign at Taipei Municipal Yi-Fang Elementary School to ensure young students to learn how to prevent from the drug abuse.

D3522 Rotarians of RC Taipei Great Pacific and volunteers dive in the ocean for a coral reef restoration project in Penghu and promote sustainable environmental protection.

D3523 168 Rotarian doctors and volunteers in D3523 travel to rural areas in Cambodia, providing free medical services and donating medical equipment for the need.
